

Red Earth. Quiet Lakes. Hills, Forests & Open Skies.

4 Days / 3 Nights

Route: Kolkata -> Dankuni -> Bardhaman -> Durgapur -> Bankura -> Raghunathpur -> Purulia -> Kolkata

WHY PURULIA WORKS FOR PETS

Purulia is one of the most naturally suited destinations for a pet-inclusive escape from Kolkata.
The landscape is wide open and wonderfully unhurried — lakes, hills, forests, village roads and countryside viewpoints create plenty of opportunities for your pet to be outdoors and part of the experience.
There is less emphasis on indoor sightseeing and more on walking, exploring, scenic drives and simply spending time together in nature.

PET-FRIENDLY EXPERIENCES

• Baranti Lake & Baranti Hills — Lakeside walks and open spaces
• Garh Panchkot — Historic ruins, forest surroundings and hill views
• Garpanchkot Forest — Nature drives and peaceful walks

• Joychandi Pahar — Hill views and outdoor exploration
• Deulghata — Ancient temples and quiet countryside surroundings
• Kushal Palli & surrounding villages — Relaxed walks and nature time
• Khairabera Dam — Reservoir views and forest landscapes
• Ajodhya Hills — Scenic drives, viewpoints and forest surroundings
• Leisure time around the property and countryside

Note: Pets should be kept on a leash around tourist attractions, forest areas and crowded spots. Entry restrictions may apply at individual monuments, temples and protected forest areas

GETTING THERE WITH YOUR PET

From Kolkata: Approx. 295–320 km

Suggested Route:

Kolkata Dankuni Bardhaman Durgapur Bankura Raghunathpur Purulia

The journey is comfortable for a road trip, with good highways for much of the route before moving into quieter countryside roads.

Our suggestion:

Take a comfortable breakfast or refreshment break around Durgapur or Bankura, allowing your pet time to stretch, drink water and take a proper walking break.

PET NOTES

• Purulia is particularly well suited to pets who enjoy open spaces, nature walks and long drives.
• Much of the sightseeing involves outdoor terrain, so comfortable supervision is important.
• Keep your pet leashed around lakes, dams, forest areas, monuments and crowded tourist spots.
• Reservoirs and lakes may have uneven edges, slippery surfaces or steep sections. Keep pets safely away from the water's edge unless the area is clearly suitable.
• Forest and hill areas can have uneven, rocky or loose terrain. Comfortable footwear for longer walks and close supervision of your pet are advisable.
• Avoid allowing pets to wander freely through forested areas or unfamiliar countryside.
• Wildlife and insects may be present around forest and reservoir areas. Keep your pet close and avoid interaction with wildlife.
• Purulia can become quite warm outside the cooler months, so plan longer walks during the early morning or late afternoon.
• Carry sufficient drinking water during sightseeing, particularly around Baranti, Khairabera and the Ajodhya Hills.
• Some monuments, temples and protected areas may not permit pets inside.
• For longer road journeys, plan regular breaks for water, toilet and movement.

• Carry your pet's regular food, water bowl, leash, waste bags, towel, bedding, basic first-aid supplies and any regular medication.

Find a lake. Walk through the countryside. Drive into the hills. Let your dog explore the red earth and open landscapes. Come back to the property before sunset and end the day with a quiet evening outdoors.

This is perhaps one of the places where the idea of a true pet holiday comes alive most naturally.

Red earth. Open skies.

Quiet lakes. And your pet discovering it all beside you.
