

Tea Gardens. Pine Forests. Mountain Air.

4 Days / 3 Nights

Route: Kolkata -> Dankuni -> Burdwan -> Dalkhola -> Siliguri -> Kurseong -> Kolkata

WHY KURSEONG WORKS FOR PETS

Kurseong is a wonderful choice for a slow mountain escape with your pet — think tea gardens, pine forests, misty hills and quiet viewpoints rather than crowded tourist attractions.

The destination works particularly well for pets who enjoy walking, exploring new landscapes and spending time outdoors.

The longer drive from Kolkata makes it better suited to travellers who are comfortable with a substantial road journey, but once you reach the hills, the pace becomes wonderfully unhurried.

PET-FRIENDLY EXPERIENCES

• Eagle's Crag Watch Tower & Park

• Tea estate walks • Dow Hill

• Eco Park Adventure Camp Site
• Giddapahar View Point
• Kettle Valley
• Pine Forest walks
• Scenic mountain drives
Important: Pets are not permitted inside Deer Park.

GETTING THERE WITH YOUR PET

From Kolkata: Approx. 615–620 km
Suggested Route:
Kolkata Dankuni Burdwan Dalkhola Siliguri Kurseong
The journey is largely on good highways until Siliguri, after which the road becomes more winding as you climb into the hills.
Because of the distance, this is best approached as a proper road journey rather than a rushed transfer.
Our suggestion:
For the 3N/4D version, consider an overnight journey with a planned halt around Siliguri before continuing to Kurseong.
For pets, schedule regular breaks for water, toilet, food and movement, especially during the long highway section.

PET NOTES

• Kurseong is particularly suited to pets who enjoy cooler weather, nature walks and exploring outdoor spaces.
• The hill roads from Siliguri are winding, so pets prone to motion sickness may need extra care.
• Tea estate and forest trails can have uneven, damp or slippery sections, particularly after rain.
• Keep your pet leashed around viewpoints, roads, tea estates and forested areas.
• Avoid allowing your pet to wander freely through dense vegetation or unfamiliar trails.
• The weather can change quickly in the hills. Carry a light jacket or warm layer for your pet, especially during cooler months.
• During walks, carry drinking water and take regular rest breaks.
• Be mindful of leeches and insects during wet weather and forest walks.
• Pets are not permitted inside Deer Park. Plan this accordingly if it is part of your sightseeing list.
• The long journey from Kolkata requires more frequent breaks than a short road trip.
• Carry your pet's regular food, water bowl, leash, waste bags, bedding, towel, basic first-aid supplies and any regular medication.

PAPERBOAT PET TIP

Kurseong is about the journey as much as the destination.
The drive from Kolkata is long, so don't treat it like a race to the hills. Take your breaks, let your pet stretch and explore, and once you reach Kurseong, slow everything down.
Walk through a tea garden. Stop at a viewpoint. Breathe in the pine-scented air.
The mountains are waiting. And this time, your pet gets to enjoy them with you.
