GETTING THERE WITH YOUR PET

From Bangalore: Approx. 230 km
Suggested Route:
Bangalore Salem Yercaud
The drive is largely smooth and comfortable, with excellent highways until Salem. The final climb to Yercaud involves winding hill roads but is generally manageable.
Our suggestion:
Take a comfortable break around Salem for refreshments, water and a short walk before beginning the climb to Yercaud.

PET NOTES

• Yercaud is well suited to dogs who enjoy short nature walks and cooler hill weather.
• The final stretch to Yercaud is winding, so pets prone to motion sickness may need extra care.
• Keep your pet leashed around the lake, viewpoints, roads and nature trails.
• Some trails and viewpoints may have uneven, rocky or slippery sections, particularly after rain.
• Start longer walks during the cooler morning or late-afternoon hours.
• Carry sufficient drinking water during walks and outdoor excursions.
• Avoid allowing pets to wander freely in forested or unfamiliar areas.
• If visiting viewpoints for sunrise or sunset, keep your pet close as visibility and terrain conditions can change quickly.
• Plan regular breaks during the road journey for water, toilet and movement.
• Carry your pet's regular food, water bowl, leash, waste bags, bedding, basic first-aid supplies and any regular medication.
