

Misty Hills. Quiet Lanes. Slow Mountain Days Together.

5 Days / 4 Nights

Route: Delhi -> Meerut -> Muzaffarnagar -> Roorkee -> Dehradun -> Mussoorie

WHY MUSSOORIE & LANDOUR WORKS FOR PETS

Mussoorie and Landour offer two very different sides of a mountain holiday —
Mussoorie brings lively streets, viewpoints and cafés, while Landour offers quieter lanes, forested walks and a slower pace.
Together, they make an excellent pet-friendly escape for travellers who enjoy walking, scenic drives, outdoor cafés and relaxed mountain days.
Landour, in particular, is ideal for simply wandering with your pet and enjoying the old-world atmosphere without rushing from one attraction to another.

GETTING THERE WITH YOUR PET

From Delhi: Approx. 290–310 km
Suggested Route:
Delhi Meerut Muzaffarnagar Roorkee Dehradun Mussoorie
The journey is comfortable for most of the route, with good highways before the climb towards Mussoorie.
The final stretch from Dehradun is winding and can become busy, particularly during weekends and peak travel periods.
Our suggestion:
Take a comfortable break around Roorkee or Dehradun for refreshments, water and a proper walking break before beginning the final mountain climb.

PET NOTES

- Mussoorie and Landour are best suited to pets who are comfortable with hill roads, walking and moderate crowds.
- The approach from Dehradun is winding, so pets prone to motion sickness may need extra care.
- Landour's quiet lanes can involve steep gradients and uneven surfaces, so take walks at a comfortable pace.
- Keep your pet leashed around roads, viewpoints, markets and busy public areas.
- Mall Road and popular parts of Mussoorie can become crowded. Early morning or quieter evening hours are more comfortable for pets who dislike crowds.
- Mountain trails can become slippery or muddy after rain. Comfortable supervision is important.
- Temperatures can drop significantly in the hills, especially during winter mornings and evenings. Carry a warm layer or blanket for your pet.
- Avoid allowing your pet to wander freely through forested areas or unfamiliar trails.
- Carry sufficient drinking water during longer walks.
- Kempty Falls and other popular attractions can become busy. Consider visiting during quieter hours if travelling with a pet.

- George Everest and other open hill areas can be exposed and windy, so keep your pet close around edges and uneven terrain.
- Plan regular breaks during the drive for water, toilet and movement.
- Carry your pet's regular food, water bowl, leash, waste bags, towel, bedding, basic first-aid supplies and any regular medication.
